CUPCAKE CLASSES:

These are fun 3 hour course is designed to help you to learn the basics of cupcake decorating. These classes do not focus on baking but on preparing and decorating amazing cupcakes. You will be taught how to prepare each of their cupcakes using syrup, making and applying ganache to give them a ready surface for icing. The main aim of these courses is to let your imagination come up with creative ways to theme and decorate cupcakes for any occasion and to learn the basic skills required. We offer a range of different themed classes.

This course is ideal for beginners.
